VICEROY

RESIDENCES

CLEARWATER BEACH

OVERVIEW

The ultimate expression of private beach living arrives with an intimate collection of grand new, fully serviced residences offering sweeping sunset views over the Gulf of Mexico and the infinite possibilities of an exceptional array of waterfront amenities, services, and experiences. Elegance is effortless and beauty has no horizon in this serene oasis of modern coastal luxury on the white sands of Clearwater Beach.

BUILDING OVERVIEW

- Two nine-story towers designed by Randall Stofft Architects
- Limited collection of 86 private gulf-front residences, including eight exquisite penthouses, expertly designed by Interiors by Steven G.
- First-ever luxury condominium building in the region with state-of-the-art resiliency features
- 25,000 square feet of indoor and outdoor elevated amenities dedicated exclusively to the 86 residences
- Full-time reception, concierge, valet and porter service
- On-demand pool and beach attendant with full-service Experience Manager
- Impressive second-level porte-cochère and lush, urban garden which creates a discrete and private, yet welcoming arrival experience
- Keyless residential entry, guest registration and secure access management with 24/7 guard services

Resiliency Features

- Four direct-connect gas-powered backup generators with continuous fuel source supporting all life safety systems, all amenity areas, and every elevator in our buildings
- All residences come standard with backup power for air conditioning, full lighting and receptacles, cold appliances, range, oven and hot water throughout
- Garage-level mechanical rooms, storage, and elevator lobbies are flood resistant to 12" NAVD elevating above the 500-year flood level
- Main entrance and amenity level sits at 18'6" NAVD, 6' above the 500-year flood level
- Window systems designed with missile impact glass capable of withstanding winds of 165 miles per hour

RESIDENCES

Luxury is elevated to transcendent in 86 world-class residences designed by Randall Stofft Architects, with stunning interiors by Steven G. Set privately apart in two, nine-story waterfront towers, a limited number of residences grace each floor from 2,700 to up to 6,000 square feet. Each light-infused sanctuary features soaring ceilings and walls of glass opening to grand terraces and captivating water views.
